Sleeve Guards

PART NO. V4000

Dirt, mud, and wheel wear can ruin expensive clothes. SleeveGuards slip over your forearms to protect your jacket and shirt sleeves.

The SleeveGuards are made from high-quality moisture-resistant nylon. Elastic cuffs keep them around your wrists while hook and loop tops prevent slippage above the elbow. 300-yard reflective tape helps to keep you visible. Once you get where you're going just slip them off of your CLEAN sleeves!
