1 YEAR LIMITED WARRANTY ON LITHIUM BATTERY/BATTERIES\*

LUGGIE branded electric scooter’s new lithium battery is warranted for a period of twelve (12) months from the date of original purchase by the original owner. Luggie Scooter will repair or replace at our sole discretion to the original purchaser if the battery and/or batteries of the Luggie scooter upon examination by authorized FreeRider USA’s representative to be defective in material and/or workmanship within the warranty period.

\*Battery/batteries tend to deteriorate in performance and reduce in range due to being left in a discharged state, left in cold conditions for extended periods or worn due to heavy use.  
\*RECOMMENDATIONS FOR LUGGIE LITHIUM BATTERY:  
- Charge your battery when the battery meter indicator is in the red zone (low battery).  
- If your Luggie lithium battery will not be used for an extended period, fully charge the battery and disengage from the battery compartment of the Luggie before storage. Battery charge will gradually deplete with time. Please do a refresh charge 2 to 3 weeks when the battery has been stored for an extended period of time. (Remember: Keeping your battery charged will help extend the life of your battery and ensure that the Luggie is ready to go when you are.)

30 DAYS LIMITED WARRANTY ON ALL PLASTIC PARTS & CHASSIS HOOKS

LUGGIE or FREERIDER branded electric scooter’s plastic parts (tiller clamp, chassis hooks, trigger, tiller lever, etc.) are warranted for a period of thirty (30) days from the date of original purchase by the original purchaser/owner. FreeRider USA will repair or replace at our sole discretion to the original purchaser if the LUGGIE or FREERIDER plastic parts of the scooter upon examination by an authorized FreeRider USA’s representative to be defective in material and/or workmanship within the warranty period.
