ABOUT US

Aqua Creek Products has been manufacturing high quality aquatic access equipment since 2002. With decades of combined experience, our staff is dedicated to helping you find the right solution for your pool and spa access needs.

Our small American company is well known for our industry-preferred products, superior warranties, and outstanding customer service.

Aqua Creek strives to bring affordable, reliable access to everyone. We currently offer several pool and spa lifts, allowing for a wide variety of access solutions. We are constantly evolving and improving the quality and usability of our products.

We are first and foremost a manufacturer of aquatic access equipment and we do not sell directly to the public. However, we do have a well-established dealer network whose members are happy to assist you with your purchase.

Contact us by visiting our "Find a Dealer" page or call us at 888-687-3552 and we will direct you to your local dealer.

We thank you for your interest in our products. We look forward to working with you to get the access you need.

Best regards,
Aqua Creek Products LLC

06

PRO SERIES LIFTS

Affordable home and commercial pool and spa access. The Pro Series features a low profile design ideal for smaller pools & spas.

11

REVOLUTION SERIES LIFTS

Able to rotate 360 degrees in either direction, providing versatility and accessibility. Designed to be self-operated by the individual user.

15

SPA SERIES LIFTS

Fully powered, ADA compliant lifts designed especially to provide access to elevated pools & spas. Capable of clearing up to 68 inches.

17

EZ SERIES LIFTS

The EZ lifts are an affordable series of lifts both manually & battery operated designed for residential use. These lifts are great for both in and above ground pools. Also great as a boat access lift!

19

AQUATIC WHEELCHAIRS

Providing access for pools with ramps or sloped entries, these stainless steel or exceptionally strong PVC chairs make your access easier than ever.

21

AQUATIC EXERCISE & TRAINING

Aquatic exercise equipment, platforms, and walkers designed to provide stability and security. Versatile products that are great for beginning swimmers, aqua therapy patients, and individuals looking for a low impact way to get fit.

25

BEACH ACCESS & SHOWER CHAIRS

Lightweight, all-terrain beach chair allows access to sand, snow, and other soft soils. Sturdy PVC chairs designed to provide easy access to facility showers and commodes.

27

THE BUBBA II

Repair your multi-port pool filter valves quickly, easily, and safely with the Bubba II.

RANGER 2

The Ranger 2 is the new version of our extremely popular lift, The Ranger. This new ADA compliant lift features a field reversible design, 350 pound weight capacity, UL Certification, and comes standard with a 14 inch deck to water draft.

The Ranger 2 is constructed of stainless steel with a durable powder coat finish in your choice of colors; standard white, gray, or tan. Seats and footrests are also available with color options in standard blue, white, gray, and tan.

The Ranger 2 is available with the same solar charging station, anchoring systems, and colored covers to match the lift. Aqua Creek offers the best warranties in the industry, with a 5 year structural and 5 year prorated electronics warranty. Ships fully assembled and ready to install.

ADMIRAL

U.S. Patent Nos.
7,249,386 B2 & D507,769S

The Admiral is a 450 pound capacity, UL Certified pool lift. This lift maintains the same heavy duty, compact design as the Original Pro Pool Series lifts along with new features. The Admiral is field reversible and comes standard with an adjustable seat arm to accommodate wheelchairs of different heights. The new adjustable base plate also provides additional flexibility in pools with larger water drafts or setbacks.

The Admiral lift is ADA compliant and constructed of stainless steel with a durable powder coat finish in your choice of colors; standard white, gray, or tan. Seats and footrests are also available with color options in standard blue, white, gray, and tan.

The Admiral is available with the same solar charging station, anchoring systems, and colored covers to match the lift. Aqua Creek offers the best warranties in the industry, with a 5 year structural and 5 year prorated electronics warranty. Ships fully assembled and ready to install.

GREAT FOR RESIDENTIAL POOLS!

SCOUT 2

U.S. Patent No.
D507,769 S

The Scout 2 pool lift features an adjustable height seat pole, upgraded electronics and a more robust base. These upgrades allow for a weight capacity of 375 pounds. This pool lift will accommodate most existing anchors by utilizing adapter sleeves. The optional pull-out leg rest may be used for greater clearance on raised pool and spa applications.

The Scout 2 is UL Certified to meet pool lift standard 60335-2-1000. It was designed for in ground anchoring and an ideal lift for easy and affordable ADA compliance. Like all Aqua Creek lifts, the Scout 2 is constructed from stainless steel with a durable powder coat finish in your choice of colors; standard white, gray, or tan. Seats and footrests are also available with color options in standard blue, white, gray, and tan.

Purchase the optional solar charging station to help extend the lift of your battery. The Scout 2 comes standard with the best warranty in the industry, a 5 year structural and 5 year prorated electronics warranty.

THE BUBBA II

No more compression headaches! Repair your multi-port pool filter valves quickly, easily, and safely with The Bubba II!

The Bubba II is a patented compression tool that helps you get your customers pool filters up and running quickly, efficiently, safely, and at less cost than complete valve replacement. The Bubba II can help you rebuild your multi-port valves for a fraction of the cost of a complete valve replacement all while keeping unnecessary parts from ending up in a land fill.

Don't focus on expensive replacements; improve your service reputation and your bottom line by repairing multi-port valves instead. Your customers will thank you!

FEATURES:

- Adjustable valve support base (works with any brand of multi-port valve)
- Easy and safe-to-use compression lever
