QUAD SHAPED ASSIST BAR

A BED ASSIST BAR WITHOUT THE RISK OF ENTRAPMENT

-  Attaches to most bed frames including: Invacare, Drive, Hill-Rom, Joerns, Medline, Graham Fields, MC Healthcare, and more.
-  Easily & quickly attaches to any Round, Square, Rectangle or Angle Frames with included adapters.
-  Durable, Safe & Secure - The ideal patient restraint solution for your out-of-date side rails.
-  For patients that need to grab a rail to reposition themselves or exit the bed, the Q-Bar provides sturdy and safe support.
-  Rotates 90 degrees in either direction to accommodate different user positions and allow for ease of bed exit.

INCLUDES ADAPTERS TO MOUNT TO MOST BED FRAMES
