

**AWESOME CARE  
STARTS HERE.**

**Pediatric Products and Solutions**  
Designs to comfort and fit small patients

**MAKE FUN A PRIORITY.**

# Discover out-of-this-world products designed just for kids.

**You don't have to go to the moon to find new and better ways to care for children.** We've got everything you need to make their hospital experience less scary. And more kid-friendly.

Like you, we know how important it is to let kids be kids. That's why our products are designed to help you help your smallest patients **feel comfortable and safe.**

Combine your expert care with our awesome products and see for yourself.

**“Laughter, giggles and smiles are not the sights and sounds you'd usually associate with hospitals.** Yet when it comes to pediatrics, that's exactly what you hear and experience. Children are children no matter what they're facing. Our job is to help make the laughter, giggles and smiles come easier.”

Martie Moore, RN, MAOM, CPHQ  
Medline Chief Nursing Officer

# Set the stage for star power.
