## The best solution for sensitive skin.

Cleanse. Moisturize. Protect. Treat.

Medline Remedy® with Phytoplex® is an outcomes-driven, skincare line formulated for sensitive skin by the skincare experts at Medline. The full line of gentle cleansers, soothing moisturizers, proven protectants and targeted treatments is designed to help you address the needs of at-risk patients or residents.

Each product contains a blend of gentle botanic ingredients that includes soy, blue-green algae, green tea and clove extract. This proprietary formulation of nutrients and antioxidants nourishes the skin to help it maintain its natural balance.
